

## Our Goals:

As your attorneys, our goals are:

- to exceed your expectations;
- to serve your legal needs;
- to provide you with personalized attention;
- to communicate in a timely and responsive manner;
- to develop a professional relationship based on mutual respect and courtesy.

## Legal Fees:

Our fees are fair and reasonable. It is our goal that our clients have a clear understanding of the cost of our legal services. Therefore, at the inception of each case we discuss fees, costs and methods of payment. We generally bill at hourly rates on a monthly basis, however, we will discuss alternative fee arrangements in appropriate cases. We require written fee agreements for all clients.

## What We Are...

### Mission Statement:

Our mission is to provide our clients with high quality legal services in a responsive, personalized and cost effective manner.

### Our Firm:

We are a full-service, mid-sized law firm, offering legal services in both transactional and litigation matters. We are locally owned and operated, with roots in this community dating back to 1981. Our founding partners have practiced together for over 20 years, and established this firm in 2001. Our attorneys emphasize a wide range of individual practice areas which ensures that our firm can meet the diverse needs of our clients. With multiple attorneys, our various talents, interests and backgrounds enable us to better serve our clients' needs. Our clients benefit from the variety and depth of experience of our legal team. Responsiveness, efficiency and lower overhead are additional advantages that we provide our clients as a local law firm.

### Our Services:

We represent clients in the litigation, mediation and arbitration of all types of business, investment, and financial disputes. We are experienced in all aspects of commercial and residential real estate transactions; title insurance; land use and development; zoning and permitting; like-kind exchanges; condominium and homeowner association matters; and commercial and private lender representation. Additionally, the attorneys of Treiser Collins handle a variety of matters involving corporations, LLCs, and other business organizations and transactions; wills, trusts, estate planning and probate. We also represent clients in personal injury and wrongful death matters.

## Our Commitment To...

### Our Clients:

Our clients are our highest priority. We are proud of our clients, their successes and their contributions to our community. Our clients include businesses and organizations in the fields of banking, construction, development, real estate sales, manufacturing, tourism, agriculture, marine industries and retail sales. We also represent individuals in their personal and business needs.

### Our Profession:

We support professional development and involvement of our attorneys and staff. Continuing legal education and ongoing professional training is required of all attorneys and encouraged for all staff. Examples of involvement of our attorneys in professional organizations and activities has included membership in The American Bar Association; The Florida Bar Association, The Collier Bar Association; The Trial Lawyers Section, The Trust and Estates Section and The Real Estate Section of The Collier Bar Association; The Collier Bar Moot Court Program; The Fee Arbitration Committee of the 20th Judicial Circuit, The Thomas Biggs Inns of Court; The Collier County Women's Bar Association; The Paralegal Association of Florida; The Southwest Florida Paralegal Association; The Collier Legal Support Professionals. Our Attorneys have also written articles in professional publications and served as speakers for continuing legal education programs.

### Our Community:

Southwest Florida is our home. We are committed to the betterment of our community. All of our attorneys and staff are encouraged to give back by supporting and participating in civic and charitable organizations, events and causes. We are involved in a diverse range of activities and organizations throughout our community, promoting education, children's services, the arts, religious organizations, health, business and community development and other worthwhile causes.
